Sales and Commission: You are encouraged to make your exhibited objects available for purchase. Sales will be made at the Center, and payout to artists will go through the League, with the same commission structure used at League HQ exhibitions, which is 40% of retail on items priced under $1,000 and 30% on items priced at $1,000 and above. A portion of the commission will go to the Massabesic Center to support their work. Exhibitors will receive a check for the retail price minus commission. This commission schedule is for League HQ coordinated exhibitions exclusively, as the mission of the League through these exhibitions is primarily educational.

Duration of Loan

The exhibitor agrees to loan the League of NH Craftsmen, Inc, the works submitted for **Earth Day 2024** for the duration of this exhibition; from delivery of work to pick up, dates as indicated.

We will share publicity with all participants, which they are asked to share with friends and followers.

Object Tags

Each piece must be delivered with an object tag attached that includes your name and the title of the piece. Blank object tags will be available at drop off.
