

93RD ANNUAL CRAFTSMEN'S FAIR

2026 SPONSORSHIP + COOPERATIVE MARKETING OPPORTUNITIES

WHY PARTNER WITH THE LEAGUE?

The League of NH Craftsmen is one of the nation's premiere art and craft organizations, connecting highly skilled artisans, collectors, and craft enthusiasts. For 90+ years, the League has contributed to New Hampshire's rich cultural heritage by supporting independent craftspeople—its juried members—dedicated to creating objects of beauty, integrity, and utility.

CONNECT TO CRAFT AUDIENCES

The League's signature event is the Annual Craftsmen's Fair, presented for nine days every August at the base of Mount Sunapee. The Fair is the oldest craft fair in the country and the largest arts event in the state, regularly drawing an audience of **more than 20,000 people from across New England and beyond**. In 2026 we will celebrate the 93rd Annual Craftsmen's Fair.

The Fair showcases nearly 200 booths of fine craft. Visitors come to speak one-on-one with the makers and learn about their techniques and inspiration. Engaging and interactive daily demonstrations help visitors to understand how fine craft is made. Live music and delicious food complement the fine craft, with the mountain as our backdrop.

GET NOTICED

- **Enhance your brand value** by associating with the League's strong reputation for quality and excellence.
- **Share in a marketing plan** which consists of an integrated mix of radio and digital advertising, emails, social media, public relations, and printed material.
- **Leverage your brand** through multiple media and marketing channels that can be tracked through analytics.
- **Support American-made art created by local artists**, nurturing homegrown talent, celebrating cultural expression, and strengthening the creative economy within our community.
